PULPIT CURRICULUM

ONLY JESUS CAN Various Scriptures

1. REVIEW

How would you describe the cultural views of Jesus' teaching?

What do you believe about the teachings of Jesus? How is he different than other world leaders and influencers? (Reference the scripture from the 5 day reading plan if beneficial.)

Read John 1:14-18. Where does Jesus' authority come from? What does a biblical response to that authority look like in the life of the believer?

2. ASSESS

Jesus' teachings are counter-cultural. When you consider the totality of your life and values, are you living counter-culturally or culturally influenced?

In the review section, we discussed what a biblical response to the authority of Jesus looks like. How does your personal response compare? Are you living fully under the authority of Jesus?

3. APPLY
