

Sometimes our actions seem small at the time, but we later find out how much impact that show of love actually had.

# PULPIT CURRICULUM

## ONLY JESUS CAN - PT. TWO

### Various Scriptures

## 1. REVIEW

In what ways have you experienced the love of Jesus Christ recently?

---

---

Divide these passages among your group and have a different small group member read each one: John 13:34-35, Matthew 5:43-48, Matthew 25:41-45, Luke 21:1-4, and Mark 5:1-21. How did Jesus show love to others in these verses?

---

---

---

How do you think Jesus would show love to people in our communities if he were walking the streets of 2019 Chicagoland?

---

---

---

## 2. ASSESS

How well are you loving those around you like Jesus Christ loved others?

---

---

---

---

---

---

When was the last time you shared your testimony and/or what God is teaching you with someone who was hurting or in need?

---

---

---

---

---

## 3. APPLY

What specific action to what specific person will you take to show love this week? Small Group Leader, pray 1 John 3:18 over your group as you verbalize your commitments to each other.

---

---

---

---

---

If you've been at Harvest since the Vertical Living series (Love2Live2Love), compare your assessment this week to your assessments in that series. Have you grown in love? If yes, share the stories and give glory to God for his work in your life. If no, discuss why.
